

Early Development Groups

Registration of Interest Form

If you would like to register your child to attend the Early Development Groups please complete the information below and send it to Netty Lings.

We need these details so that we can plan for your child to attend as soon as a place is available, from the age of fifteen months onwards. We do offer a crèche for siblings.

The aims of the group are to develop communication skills through group activities and to coach parents to develop communication skills within everyday activities at home. There is an emphasis on using sign language (Makaton) to aid communication.
